

# INDEX.

	Page.		Page.
Albatross, steamer .....	16, 111	Blue Wing, launch .....	42, 136
dredging and other col-		Booth, D. C., superintendent.....	68
lecting stations of, in		Boston fisheries .....	13
1901 and 1902 .....	897-432	Boston and Gloucester fisheries.....	144-150
Alexander, A. B., inquiries by .....	144, 154	Bozeman station operations.....	69
Algae, study of.....	128	Bream distribution .....	109
Alligator Lake, Maine .....	27	Breeding habits of fresh-water fishes .....	128
Alligator leather .....	342-347	Brooks, Prof. W. K., investigations of.....	188
Alosa ohlensis.....	141	Brook trout .....	32
Ambergris .....	247	distribution .....	92-99
American Fisheries Society, meeting of.....	139	propagation.....	89, 48, 54, 60, 68, 76
Amphipods of Woods Hole region.....	137	Brown, J. E., in charge Central station.....	48
Appropriations for Fish Commission .....	21	Bryan Point .....	25
Aquarium at Central station .....	44	station operations.....	41
Aquatic animals, utilization of the skins		Buck, H. H., superintendent.....	81
of .....	281-352	Buffalo-fish distribution.....	103
flora of Great Lakes, study of.....	128	Bullochville station .....	24
furs of Great Lakes, study of.....	284-295	operations .....	49
leathers .....	327-328	Bumpus, Dr. H. C., work of.....	119, 136
products in arts and industries .....	177-279	Calico bass propagation .....	68
Assignments of fish and eggs among the States		Calkins, Dr. Gary N., investigations of.....	136, 138
and Territories .....	8-7	Cape Vincent station .....	25
Atkins, Charles G., superintendent.....	29, 148	operations .....	88
Atlantic salmon .....	80	Carp fisheries.....	153
distribution .....	84	in the Great Lakes.....	11, 123-130
Averill Ponds, Vermont .....	83	Carter, E. N., superintendent .....	32, 75
Baird station operations .....	71	Casplan Lake, Vermont .....	38
Baker Lake station operations .....	81	Cat-fish distribution .....	103
Balsams substation operations .....	34	Catostomidæ distributed by the Fish Com-	
Barnacles parasitic on edible crab.....	139	mission .....	23
Bartlett, S. P., superintendent .....	59	Central station aquarium .....	44
Basses and sunfishes, common names of .....	353-356	operations.....	43
Battery station operations .....	40	Centrarchidæ distributed by the Fish Com-	
Battle Creek substation operations.....	73	mission .....	23
Bean, Dr. Tarleton H., on Long Island fishes. 131		Charleston Exposition.....	17
Beaufort laboratory .....	13, 14, 138	fish disease at.....	140
Beaver furs.....	309-311	Chautauqua Lake, fishes of.....	181
Beaver-tail skins .....	349	Clackamas station operations .....	75
Bellevue collecting station.....	62	Cladocera, study of.....	128
Bigelow, Dr. Robert P., investigations of. 137-138		Clark, Frank N., superintendent.....	58
Big White Salmon station operations .....	80	Clupeidæ distributed by the Fish Commis-	
Biliary calculi in the squeteague, study of... 137		sion .....	23
Biological inquiries .....	11-13	Cobb, J. N., field work of.....	143, 153
station on Great Lakes.....	128	on Florida sponge fishery in	
survey of Great Lakes.....	127-128	1900.....	161-175
Biology of Sacramento salmon .....	184-185	Cod distribution .....	110
Black bass distribution .....	103-107	propagation .....	2, 36, 37, 38
in Utah Lake .....	151	Cod-liver oil .....	216
propagation .....	8, 43, 46, 50, 63	Cogswell, T. M., field work of .....	143
Black-fish oil .....	204	Coker, R. E., investigations of .....	138
Blackford, W. W., work of.....	120	Cold Springs station .....	24
Black-spotted trout distribution .....	91, 92	operations .....	49
propagation .....	67, 68, 69	Cole, Leon J., investigations of .....	127, 128
Blue-back salmon distribution .....	85	Common names of the basses and sun-	
propagation .....	2, 82	fishes .....	353-356

	Page.		Page.
Copepods parasitic on fishes.....	137	Fisheries of New York.....	442
reactions of.....	136	Pennsylvania.....	477
Coregonus clupeiformis, investigation of.....	127	Utah.....	151
Coypu, fur of.....	317	Virginia.....	517
Crabs of Woods Hole region, study of.....	137	Fishery statistics.....	13
Craig Brook station operations.....	29	Fishes and fisheries of Hawaiian Islands..	111
Crappie distribution.....	107, 108	from the Philippine Islands.....	140-141
propagation.....	43, 63	introduced in Utah and Idaho lakes..	134
Crasser, H., services of.....	62	of Chautauqua Lake, New York.....	131
Cut-throat trout propagation.....	77	Great Lakes, St. Lawrence River,	
Cygnets, launch.....	136	and Lake Champlain.....	141
Cyprinidæ distributed by the Fish Commis-		Labrador.....	142
sion.....	23	Lake Mashpacong.....	131-132
Darlings Pond, Vermont.....	82	Mexico, report on.....	141
Dean, H. D., superintendent.....	64	propagated and distributed by the	
Delaware, fisheries of.....	484	Fish Commission.....	23
Destruction of oysters by drum-fish.....	123	Fish Hawk, steamer.....	17, 39, 126, 136
Detroit hatchery.....	67	Fish Lakes station operations.....	43
Dichelaspis parasitic on edible crab.....	139	oils, fats, and waxes.....	186-247
Dimick, F. F., services of.....	144	pathology, work in.....	139-140
Diplomas received from exposition.....	18	propagation.....	1-3
Diseases of fish.....	12, 34, 48, 53, 139, 140	Flat-fish distribution.....	110
Distribution and propagation of food fishes 22-110		propagation.....	2, 86
of aquatic plants, study of.....	128	Florida sponge fishery in 1900.....	161-175
fish and eggs among the		grounds, survey of.....	126-127
States and Territories.....	8-7	Food fishes and the fishing grounds.....	111-142
Dog-fish skins.....	347	propagation and distribution	
Domesticated trout.....	82	of.....	1-3, 22-110
Downing hatchery.....	26, 52	Food for fishes.....	31, 49, 50, 61, 64, 72, 77, 78
Downing, S. W., superintendent.....	50	of sea lions.....	113
Dredging and other collecting stations of the		Fordyce, Dr. Charles, studies of.....	128
United States Fish Commission steamer		Fresh-water fishes of Long Island.....	181
Albatross in 1901 and 1902.....	397-432	Maine.....	132-134
Drum-fish destructive to oysters.....	12, 123	Frog skins.....	351
Drum-fishes, drumming of.....	137	Furs, beaver.....	309-311
Dugong leather.....	838	coypu or nutria.....	317
Duluth station operations.....	58	fur-seal.....	298
Dyche, Prof. L. L., on food of sea lions.....	113	mink.....	324-326
Edenton station.....	25	muskrat.....	313-317
operations.....	47	otter.....	218-219
Edwards, Vinal N., services of.....	136	sea-otter.....	321-323
Eggs of oyster, study of.....	138	Fur-seal oil.....	215
sea-urchin, study of.....	138	skins.....	298-304
Elk Creek substation operations.....	78	trade of London.....	13, 158-160
Erwin station.....	24	Gadidæ distributed by Fish Commission...	23
operations.....	48	Gar-fish skins.....	350
Esocidæ distributed by Fish Commission..	23	Gilbert, Dr. Charles H., investigations of..	16
Evermann, B. W., work of.....	131, 132, 141, 142	Glaser, O. C., investigations of.....	138
Expositions.....	17	Glennan, J. J., services of.....	40
Farallone Islands.....	115	Gloucester and Boston fisheries.....	144-150
Fertilizers from aquatic products.....	258-275	fisheries.....	18
crustaceans.....	273	station.....	25
fish waste or refuse.....	269	operations.....	87
seaweeds.....	275	Golden trout distribution.....	101
Fish and eggs distributed among the States		Goldsborough, E. L., work of.....	142
and Territories.....	3-10	Grampus, schooner.....	36, 37, 124
Fish-cultural methods.....	26	Grand Lake Stream substation operations..	29
Fish diseases.....	12, 34, 48, 53, 139, 140	Grave, Dr. Caswell, experiments of.....	138, 139
Fisheries and fish trade of Porto Rico in		Graybill, H. W., investigations of.....	128
1902.....	367-395	Grayling.....	81, 83
of Boston and Gloucester.....	144-150	distribution.....	101
Delaware.....	484	propagation.....	3, 56, 66
Middle Atlantic States.....	483-540	Great Lakes biological survey.....	12, 127-128
Maryland.....	489	station.....	128
New Jersey.....	458	fishes of.....	141

	Page.		Page.
Green, C. K., superintendent.....	43	Maine, fresh-water fishes of.....	182
Green, E. H., investigations of.....	187, 138	Manatee leather.....	398
Greene, Dr. Charles W., investigations of..	184	Manchester station.....	19
Green Lake station.....	26	operations.....	60
operations.....	26	Marsh, M. C., pathological studies of.....	139
Hahn, E. E., commanding schooner Gram- purg.....	87	Martin, S. J., services of.....	144
Hargitt, Prof. Charles W., investigations of.....	137, 138	Maryland, fisheries of.....	469
Harron, L. G., superintendent.....	41, 44	Mashpacong Lake, fishes of.....	131-182
Havre de Grace station operations.....	25	Matagamon substation operations.....	29
Hawaiian fisheries.....	12	Mead, Dr. A. D., lobster experiments of...	119
Islands, fishes and fisheries of....	111	Menhaden industry.....	256
Henshall, James A., superintendent.....	69	oil.....	232
Herring oil.....	236	Merganser, launch.....	136
Holmes, Prof. S. J., investigations of.....	137	Merriam, Dr. C. Hart, on food of sea-lions.	118
Hook-and-line fishing for Pacific salmon.	164-165	Mexico, fishes of.....	141
Hubbard, W. F., superintendent.....	84	Middle Atlantic States, statistics of fish- eries.....	488-540
Idaho Lake, fishes introduced into.....	185	Mill Creek substation operations.....	74
Inspection of stations.....	24	Miller, Dwight E., services of.....	185
Introduced fishes in Utah and Idaho lakes.	185	Mink furs.....	324-326
Isopods of Woods Hole region.....	187	Mississippi River fish-cultural station.....	15
Jellyfishes of Woods Hole region.....	137	Missisquoi River pike-perch work.....	25
Jennings, Prof. H. S., investigations of...	127, 128	Mistichthys luzonensis.....	141
Johnson, R. S., superintendent.....	60	Mitchell Lake, Vermont.....	82
Jones, Alexander, superintendent.....	48	Monterey Bay, trolling for salmon in.....	154
Jordan, Dr. D. S., investigations of.....	16, 111	Moore, George H. H., superintendent.....	40, 148
Kendall, W. C., work of.....	182, 141, 142	Moore, H. F., experiments of.....	120, 128, 125
King, E. S., field work of.....	143	Mosconi, James, services of.....	119
Krause, A. K., investigations of.....	137	Moscow Exposition of Hydrobiology, Fish Culture, and Fishing.....	18
Labrador, fishes of.....	142	Moser, Commander Jefferson F., detached from Albatross.....	17
Lake Champlain, fishes of.....	141	Museum of Comparative Zoology.....	21
Lake sturgeon investigations.....	127	Muskrat furs.....	818-817
Lake trout.....	88	Nashua station.....	25
distribution.....	99, 100	operations.....	84
propagation.....	2, 38, 54, 58, 66, 78	Neah Bay, trolling for salmon in.....	155
Lambson, G. H., superintendent.....	71, 135	Neosho station.....	18, 24
Landlocked salmon.....	30, 88	operations.....	64
distribution.....	85	Newcombe, Prof. F. C., investigations of...	128
propagation.....	8, 67	New Jersey, fisheries of.....	458
Laurentian Club, waters controlled by....	32	New York, fisheries of.....	442
Leadville station operations.....	65	Northville station.....	24
Leary, J. L., superintendent.....	62	operations.....	58
Leather, alligator.....	342-345	Noyes Lake, Vermont.....	32
aquatic.....	327-328	Nutria, fur of.....	317
dugong.....	838	Oil, black-fish.....	204
manatee.....	838	cod-liver.....	216
porpoise.....	839	fish-head.....	240
sea-lion.....	836	fur-seal.....	215
seal.....	832-838	herring.....	236
walrus.....	837	menhaden.....	232
Lime from mollusk shells.....	274	porpoise.....	204
Linton, Dr. Edwin, investigations of.....	138	seal.....	209
List of publications of United States Fish Com- mission available for distribution, supple- ment to.....	541	sea-elephant.....	211
Little White Salmon station operations....	79	sea-lion.....	215
Lobster distribution.....	110	shark-liver.....	227
fisheries.....	13, 156-158	from viscera of fish.....	241
hatchery in Maine.....	18	walrus.....	214
propagation.....	2, 36, 38, 119-120	from waste fish.....	239
Loch Leven trout distribution.....	88	whale.....	186-199
propagation.....	55, 61, 66, 69	Ostend International Exposition.....	16
Locke, E. F., superintendent.....	86	Otter furs.....	818
London fur-seal trade.....	158-180	Oyster, biology of.....	188
Long Island, New York, fresh-water fishes of.	181	cultivation.....	11
Louisiana Purchase Exposition.....	16, 65	destroyed by drum-fish.....	12, 123
Lynnhaven oyster experiments.....	120-123	farming, experiment in.....	120-123, 138
		Pacific salmon hook-and-line fishing.....	154-155

	Page.		Page.
Pan-American Exposition.....	17	Scales of fish, organic constituents of.....	136-187
Parasite of edible crab.....	139	Scotch sea trout.....	81
Parasitic copepods of fishes.....	137	distribution.....	100
Parker, Dr. George H., investigations of.....	136, 138	Sea-anemones of Woods Hole region.....	137
Patten Pond, Maine.....	28	Sea-elephant oil.....	211
Pearl, Dr. Raymond, investigations of.....	127	Seagle, George A., superintendent.....	45
Pennsylvania, fisheries of.....	477	Sea-lions, destructiveness of.....	11, 111-119
Percidæ distributed by the Fish Commission.....	23	food of.....	118, 117, 118
Petrel, launch.....	138	Sea-lion leather.....	336
Phalarope, steamer.....	86	oil.....	215
Philippine Islands, fishes from.....	140-141	Seal oil.....	209
Pike-perch propagation.....	2, 39	Sea-otter furs.....	821-823
Plankton investigations.....	128	Seal leather.....	332
nets.....	128	Sea-urchin eggs, study of.....	188
Plants, distribution of.....	128	Seaweeds as fertilizers.....	276
nutrition of.....	128	Senator, vessel.....	19, 29
Pleuronectidæ distributed by the Fish Commission.....	23	Shad distribution.....	83, 84
Pond, R. H., investigations of.....	128	of Ohio River.....	141
Porpoise leather.....	339	propagation.....	2, 40, 42, 43, 47
oil.....	204	roe canned.....	40
Porto Rico, domestic fisheries of.....	373	Shark-liver oil.....	227
fisheries and fish trade in 1902.....	367-395	Shark skins.....	347
importations of fishery products.....	369	Shearwater, vessel.....	19
Pritchard, S. L., work of.....	135	Sherwood, George H., work of.....	7, 37, 120, 138
Propagation and distribution of food-fishes.....	1-3, 22, 110	Siluridæ distributed by Fish Commission.....	23
Protozoa of Woods Hole region.....	136	Silver salmon distribution.....	85
