

IV.—MATERIALS FOR A HISTORY OF THE MACKEREL FISHERY.

BY G. BROWN GOODE, JOSEPH W. COLLINS, R. E. EARLL, AND A. HOWARD CLARK.

ANALYSIS.

	Page.
I. NATURAL HISTORY, BY G. BROWN GOODE.....	1
A.—LIFE HISTORY OF THE MACKEREL.....	3
1. Geographical distribution.....	3
2. Migrations.....	5
3. Abundance.....	13
4. Food.....	15
5. Reproduction.....	21
6. Rate of growth and size.....	26
7. Enemies.....	27
B.—STUDIES OF THE MOVEMENTS OF THE MACKEREL SCHOOLS.....	29
8. Hind on the causes of irregular movements.....	29
9. Hind on the causes of the alleged annual variations in the number of mackerel.....	35
10. Observations of American fishermen on the movements of the mackerel schools.....	37
II. THE MACKEREL FISHERY OF THE UNITED STATES, BY G. BROWN GOODE AND CAPT. J. W. COLLINS.....	48
C.—THE PURSE-SEINE FISHERY.....	48
11. The fishing grounds.....	48
12. The fishermen.....	49
13. The vessels.....	49
14. Apparatus and methods of fishing.....	52
16. Taking care of the fish.....	73
17. Running for the market.....	75
18. Landing the cargoes.....	75
19. Financial profits of seining.....	75
20. History of the use of purse-seines.....	77
21. The attempted use of the purse-seine in Norwegian waters.....	80
D.—THE MACKEREL HOOK FISHERY.....	81
22. Fishing grounds.....	82
23. The fishermen.....	83
24. The vessels.....	84
25. Apparatus and methods of fishing.....	85
26. Care of the fish.....	98
27. Homeward passage and disposition of the fish.....	102
28. Financial profits of the hook fishery.....	103
29. Itinerary of a mackerel voyage to the Gulf of St. Lawrence, by Maj. D. W. Low.....	105
E.—THE MACKEREL GILL-NET FISHERY.....	107
30. Implements, methods, and results of "mackerel dragging".....	107
F.—THE SPRING SOUTHERN MACKEREL FISHERY.....	112
31. The fishing grounds.....	112

	Page.
II. THE MACKEREL FISHERY OF THE UNITED STATES—Continued.	
F.—THE SPRING SOUTHERN MACKEREL FISHERY—Continued.	
32. Early catches of mackerel, 1878-1881.....	112
33. The vessels.....	113
34. Apparatus and methods of fishing.....	113
G.—EARLY METHODS OF THE MACKEREL FISHERY, 1620 to 1820	115
35. Seining mackerel with drag-seines	115
36. Drailing for mackerel.....	117
III. LEGISLATION FOR THE PROTECTION OF MACKEREL	119
H.—LAWS, PETITIONS, AND PROTESTS.....	119
37. Legislation in the seventeenth and eighteenth centuries	119
38. Protests against jigging and seining in the present century	121
IV. STATISTICS OF THE MACKEREL FISHERY IN 1880, BY R. EDWARD EARLL.....	124
I.—TABLES SHOWING STATISTICS.....	124
39. Table I. Vessels and men in the mackerel fishery (by ports).....	124
40. Table II. Mackerel fleet, by States, according to fishing grounds...	126
41. Table III. Mackerel fleet, by States, according to apparatus.....	126
42. The products of the North American mackerel fishery for 1880.....	127
V. THE MACKEREL CANNING INDUSTRY, BY R. EDWARD EARLL... 131	131
J.—THE DEVELOPMENT OF THE MACKEREL CANNING INDUSTRY.....	131
43. The methods and statistics of canning.....	131
VI. METHODS OF PACKING, AND INSPECTION LAWS, BY A. HOWARD CLARK.....	137
K.—METHODS OF PACKING, AND INSPECTION LAWS.....	137
44. Methods of packing mackerel	137
45. Inspection laws.....	147
VII. STATISTICS OF INSPECTION OF MACKEREL FROM 1804 TO 1880, BY A. HOWARD CLARK.....	162
L.—STATISTICS OF MAINE, MASSACHUSETTS, AND NEW HAMPSHIRE, WITH TOTAL STATISTICS.....	162
46. Statistics of Massachusetts	162
47. Statistics of Maine	193
48. Statistics of New Hampshire.....	202
49. Statistics of the United States (totals).....	213
VIII. CHRONOLOGICAL NOTES, BY CAPT. J. W. COLLINS	217
M.—FISHERMEN'S RECORDS.....	217
50. Seventeenth century.....	217
51. Nineteenth century	218
IX. APPENDIX—INSPECTION LAWS, COMPILED BY A. HOWARD CLARK.....	354
52. Existing laws	354
53. Repealed laws.....	372
54. Inspection laws of the British Provinces	395
X. APPENDIX—THE MACKEREL FLEET	418
55. Vessels in the mackerel fishery in 1880.....	418
XI. APPENDIX—MACKEREL FISHERY IN THE GULF OF SAINT LAWRENCE.....	430
56. Catch of mackerel by Americans in Canadian waters	430
