

PUBLICATIONS OF THE UNITED STATES COMMISSION OF FISH
AND FISHERIES AVAILABLE FOR DISTRIBUTION
ON DECEMBER 1, 1901.

The publications of the Commission consist of an annual report and annual bulletin, which are Congressional documents; a certain number being allotted to Senators and Members of the House of Representatives, and a small quota assigned to the Commission. Each volume is made up of separate papers treating of the different subjects germane to the work of the Commission, and a small edition of these papers is issued in pamphlet form in advance of the bound volume for distribution to those specially interested in the subject-matter.

BOUND PUBLICATIONS.

Of the bound publications the earlier volumes are out of print and all the copies allowed this office have been distributed. A few copies of the following can be furnished:
